

Electronic signature directly in eTeczka (Gavdi Employee Personnel Files)

Comprehensive digitisation of employee files by Gavdi and SIGNIUS

A joint solution by Gavdi and SIGNIUS is Gavdi eTeczka (Gavdi ePF) for SAP HCM, which allows employee documents to be stored in employee personal folders with the option to electronically sign them with a qualified or advanced signature from SIGNIUS, directly in your organisation's system.

For whom?

Ready to manage your HR records more efficiently?

Discover the key benefits of our joint solution.

- ✓ Full integration of the solution with SAP HCM system
- ✓ Ready integration of Gavdi eTeczka (Gavdi ePF) with SIGNIUS electronic signature
- ✓ Full service security, compliance with RODO, eIDAS and Polish legislation
- ✓ Possibility of mass signing (many documents at once)
- ✓ Document signing by all parties (employer and employee) in real time - directly in eTeczka
- ✓ The signing process does not require documents to be sent outside the system - only a hash of the document is signed
- ✓ All file formats are supported (PDF, Word, Excel, xml and others)
- ✓ Flexibility of the service - possibility to personalise the solution to the organisation's needs

Already have a Gavdi eTeczka (Gavdi Employee Personnel Files)?

Add a SIGNIUS electronic signature to your eTeczka.

- ✓ The SIGNIUS and Gavdi eTeczka (Gavdi ePF) integration is now ready for immediate implementation
- ✓ You will gain the ability to quickly and easily sign documents online by all employees - directly in eTeczka
- ✓ Your documents will not leave the company environment during the signing process - only the hash of the document is signed, making the solution completely secure
- ✓ Signed documents will be located in eTeczka at all times, as before
- ✓ Thanks to the customisable service, we can tailor the signing process to your company's needs
- ✓ Streamline and speed up the work of your HR department

What else gains your company?

- ✓ Simple and intuitive to use solution
- ✓ Streamlined processes and faster workflows for HR and administration departments
- ✓ Convenience and security - all documents, including signatures, in one place
- ✓ Reduced costs of handling paper documentation
- ✓ Convenient online document archiving
